

PREPARING FOR GROWING FLOODING THREATS

A Public Forum on Flood Mitigation

Thursday, October 10 | 5:30–8 p.m.

Bayou Theater, UH-Clear Lake

2700 Bay Area Blvd., 77058

How can the Houston–Galveston area and communities be better protected from major flood events?

What are the options for flood mitigation strategies and how might they make us safer?

What are the pros and cons of different flood mitigation strategies?

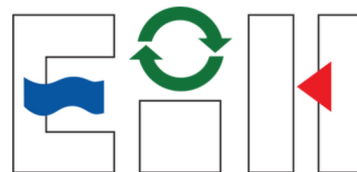

WHO SHOULD ATTEND

Community residents, policymakers, urban planners, students, environmentalists, and anyone interested in flood mitigation.
